

Brothers,

After reviewing the files found in the Google Drive account named Grand Council, created by the Grand Alumni Secretary, I find it necessary to make the following statement.

As the Grand Exalted Master I hereby give notice to the Grand Alumni Secretary to temporarily suspend the use of the Regent program that he has implemented until it is reviewed and discussed by the Executive Board. In my preliminary review of the correlating documents I have found several areas of concern. I believe that this program has the potential to cause damage to our Brotherhood, as well as potential catastrophic financial implications for not only the Executive Board itself, but also each individual officer.

The Google Drive account named Grand Council is solely the property of Kevin Kavanaugh, and reflects his thoughts and opinions only, not those of the current Executive Board of the Theta Gamma Grand Council. The Theta Gamma Grand Council does not, and has never employed anyone. Any documents referring to employees, or employee contracts, are purely fictitious and are not recognized by the Theta Gamma Grand Council. The information found within those files is in no way, shape, or form approved by the Executive Board of the Theta Gamma Grand Council. The Theta Gamma Grand Council will not be bound nor held liable for the information contained within the Google Drive account named Grand Council.

Thank you all for your time. As always if any of you have questions or concerns contact me at any time.

Always In The Bonds,

Patrick Carey
